Bath

Nautical-inspired, Seaport is a collection of industrial fixtures to create your seaside retreat. Offered in a selection of finishes, the New England style is enhanced by protective cages that shield the otherwise exposed bulbs. Created to suit the needs of many, ball joints permit a multitude of configurations. Point all of the metal shades down for directional task lighting or angle them out to fit a low ceiling or tight space. This 3-light bath vanity is damp rated and may be mounted on the wall or ceiling.
